SECTION 08

PROPOSED #4 RE DOCKET 06-0726

May 21, 2002

Ken Bourkland
6N347 Old Homestead Road
St. Charles TWP, IL 60175

Mr. Bourkland,

Please find enclosed: the ANSI Z133.1-2000 and the ANSI A300 standards for tree care operations.

I've spoken with Paul Callighan. Paul is arranging for Engineering to look at the construction issues on your property.

Once the construction issues are addressed, then the tree trim concerns will be re-evaluated.

Should you have any further comments or questions, please contact me at your earliest convenience. I can be reach at 630.691-4494

Sincerely,

Timothy A. Zidek
